

VOLUNTEER REQUIREMENTS

Swim meets simply cannot run without YOU. Each family is required to assist at meets during the summer season. Also, your swimmers love seeing their parents pitching in and helping out.

Meet Helpers:

Each family is required to work at HWSA hosted meets this summer sessions. Jobs include: timing, concessions, setup/teardown, and security. Sign-up sheets will be posted approximately 2 weeks prior to each meet. This summer we will also try to start using online signup using our website. If this is your first season, don't worry...we will help you.

USS meets held at other facilities also require our assistance. If your swimmer attends USS meets, you will be required to volunteer as a timer.

FUNDRAISING REQUIREMENTS

Fundraising helps us purchase the things that keep our team functioning smoothly...such as new touchpads and cables, computers, software, and our website. There are also things that are brought to our attention that we'd like to do, but simply don't have the funding. *Fundraising helps us improve our team.*

Scrip:

We will be running the scrip program this summer on the 15th and last day of every month. If you haven't used scrip before, please pick up a packet which explains what it is and how to sign up.

This summer we will split 50/50 any fundraising you make as an incentive for your participation. This means, if you generate \$50 in fundraising using scrip, you keep \$25, and \$25 will go to your fundraising requirement.

Any questions regarding fundraising, contact Claudia Mayer
