

VOLUNTEER REQUIREMENTS

Swim meets simply cannot run without YOU. Each family is required to assist at meets during the fall/winter season. Also, your swimmers love seeing their parents pitching in and helping out. We have the following volunteer requirements for the upcoming season.

Concessions:

Each family is required to give \$40 to cover dual & USS meet concession items. This was listed on your registration form when you signed up for the summer season. This is a separate item from the refundable volunteer fee.

Meet Helpers:

Each family is required to work 2 dual meet sessions this summer. Jobs include: timing, concessions, setup/teardown, and security. Sign-up sheets will be posted approximately 2 weeks prior to each meet. This season we will also try to start using online signup using our website. If this is your first season, don't worry...we will help you.

USS meets held at other facilities also require our assistance. If your swimmer attends USS meets, you will be required to volunteer as a timer. This will not count towards your HWSA volunteer requirements. Barb Davey will send out a timers schedule prior to each meet.

You paid a volunteer fee at the beginning of this season. When your requirements are met, the fee will be credited back to your account. If your account has a zero balance, your fee will be returned to you.
